

Welcome to the 13's Program SUUSI 2010 Beyond Tomorrow

We are really looking forward to an exciting week, filled with fun activities, (some involving water and dirt), new friends, old friends, games and celebrations. There are some activities that are already planned and some that we will decide on as a group once we get to SUUSI.

This is your last year as a part of the Youth Program and your week will end with a Coming of Age Ceremony on Friday night. Many of the coolest activities during the week will prepare you for this ceremony. The Monday SLOG, Tuesday morning programming activities and all evening activities are required for the Coming of Age program which is during the first TWOB performance on Friday. We'll all get to see the second show together. We'll go over the schedule during the Sunday Open House at 8:30 - MANDATORY. Please remind your parents to attend!

Like previous years, there is a curfew of 9:30 pm for everyone 13 and younger....this means that you can't be out of your dorm without your parent or guardian if you are not participating in youth programming activities with us after 9:30pm or before 6:00am. You will be returned to your dorm at the end of after dark programming by our staff.

**Monday morning be on time for youth programming and wear TIED IMMERSIBLE SHOES (please see note) and shorts or jeans that can get wet ... we are going on a field trip and won't be back until after lunch. Also bring sunscreen, bottled water to drink, and some dry clothes in case you get wet. You could also wear your swimsuit under your clothes or bring it.

Also, bring long pants and a long sleeved shirt that can get disgustingly dirty for wink. Wink is a great game, but you have to be dressed for it to have fun!

If you have questions email Leslie Bennett at IMAGO1000@aol.com

We look forward to seeing you at SUUSI, *Leslie Bennett and the 13s staff.*

Note: TIED IMMERSIBLES are laced sneakers or tennis shoes that can get wet and muddy and are ABSOLUTELY required by nature staff for our trip on Monday.
