2. SUUSI is incorporated as a nonprofit corporation in Florida. This status must be renewed annually.
3. The Board of Trustees is ultimately responsible for SUUSI's financial, ethical, and long-range health.
4. The Coordinating ("Core") Staff is responsible for the day-to-day operations of SUUSI and its various departments. Coordinating Staff is defined to mean the Director and those persons named as Department Heads by the Director.

Section 2: BOARD OF TRUSTEES

Section 2.1: GUIDING PRINCIPLES

1. The Board shall work in consultation with the Coordinating Staff to set policy about budget, constituency, size, and program focus for the forthcoming SUUSI and for long-range planning. In order to facilitate communication between the Board and the Coordinating Staff, a member of the Board shall attend each Core Staff meeting and report all relevant information to the Board.
2. Board members, with the exception of the Past Director, Present Director, Director-Elect, and Treasurer may not be members of the Coordinating Staff.
3. The Board supports the training and leadership development of the Board and staff, including the possible underwriting of all or part of Leadership School for specific people.
4. Board meetings shall be conducted using Robert's Rules of Order. At the discretion of the Board; however, other rules of order may be adopted for a specific action. Those rules may include a decision to act in consensus.
5. Board meeting minutes will be made available to the SUUSI community after they are approved. Minutes will not include any discussions held during executive session.
6. Any SUUSI participant may attend any meeting of the Board. Upon recognition by the President, they shall have the courtesy of the floor but shall have no vote.
7. The Board strongly discourages the ownership of capital equipment by SUUSI. Exceptions must be approved by the Board.
8. The Board is responsible for making contact with the persons recommended for the position of Director Elect at or before the beginning of SUUSI week. The Board may replace the nominee with their own recommendation.
9. The Board is solely responsible for matters dealing with taxation and legal concerns.
10. The Board shall ensure that SUUSI will not be held without proper insurance coverage.
11. The Board shall act to maintain SUUSI's tax-exempt status. Refer to Article X, Section 1, of the Certificate of Incorporation dated March 1, 1977.
12. The Board shall periodically review and update the Policies and Bylaws concerning elections, nominations, and appointments covered elsewhere in this policy statement.
13. The Board shall provide the current policies and bylaws in a linkable or other electronic format to the SUUSI staff for continual publication on the SUUSI website.

14. The Board shall act to ensure that SUUSI will provide an environment which welcomes and encourages the rich diversity of its participants, and, while offering an opportunity for special interest groups to share and develop those interests, will not itself become a vehicle for promotion or recruitment for any special interest group.

15. The Board will ensure that a Risk Manager is selected to review SUUSI policy and actions and make recommendations to limit SUUSI's potential liability each year.

16. The Board shall secure annually, 24-months in advance when possible, a written commitment for the SUUSI site. If a decision is made to select a new site, a search committee shall be appointed by the Board, composed of the Director, selected Board members, and staff constituted to report to the Board. Visits by the committee and key staff coordinators, along with the Director, shall occur before any final Board action is taken.

The Board requires all Board members, staff, workshop leaders, and everyone working with youth, including participants in the child care cooperative, to sign this statement. Those applying to serve on staff must supply contact information for two references other than family members. A participant is encouraged to call the helpline to get a referral or approach a Team member directly. Every SUUSI participant is expected to engage in conflict resolution.

If either party to the conflict remains unsatisfied after attempts at resolution mediated by the HeaRT, the President of the SUUSI Board may at their discretion appoint an ad hoc committee of three continuing Board members to investigate the conflict and render a decision which will be deemed final. Unresolved conflicts between staff members that cannot be resolved by the immediate core staff members should be taken to the director for further action.

5. Any SUUSI participant may propose cash grants or gifts for causes or organizations which align with SUUSI's values and goals. Such requests can be made directly to the board. Any such grant or gift must be approved by the SUUSI Board of Directors during a scheduled SUUSI Board meeting, or through other majority consent of voting members of the Board of Directors.

Section 8: FINANCE AND STAFF COMPENSATION

Section 8.1: STAFF COMPENSATION POLICY

1. The following is SUUSI's Staff Compensation Policy:

A. SUUSI staff compensation is by the unit "X". An "X" represents reimbursement for costs of registration, room, and meals during SUUSI. A full "X" is given for a 40-hour (or more) commitment to SUUSI, whether in preparation for or during SUUSI. "X"s are pro-rated for lesser commitments. Staff must be at least 14 years of age unless a special exception is made by the SUUSI Director.

B. Workshop leaders may request and receive credit for the hours of preparation and contact time not to exceed a single "X" per workshop. The participant fee shall cover the leader staff credit and the cost of workshop materials divided by the anticipated number of participants. The Director and/or Workshops Director is encouraged to negotiate reductions in order to offer free and reduced cost workshops and may reduce the participant fee without a corresponding reduction in leader credit.

C. In recognition of the preparation required by Worship speakers, 1/2 "X" is given for one Worship Service.

D. In recognition of the level of dedication required to serve as the Director of SUUSI, individuals who have completed a full four-year term of service as SUUSI Director will be offered a sabbatical credit worth one full "X" to be taken in the year of the individual's choice. This credit is not transferable to a separate individual. This credit shall be received in a single SUUSI year, but exceptions will be made to allow previous partial recipients of this credit to receive any remaining percentage credit.

E. No person may receive more than one "X", regardless of the extent of contribution to one or more departments of SUUSI. Staff credits are not transferable to another individual, with the exception of religious professionals and chaplain support.

F. No person may receive cash for staff work.

G. If a person receiving compensation in the form of staff credit fails to satisfactorily complete the duties for which they were awarded credit, they may lose part or all of the staff credit at the discretion of the Core Staff member in charge of their position. Any resulting fees must be paid before that person can register for future SUUSIs.

H. There will be no compensation for travel to or from SUUSI, except that each Worship speaker may be reimbursed for the minimum available cost of their

transportation. The Director shall report in writing such exceptions to the Board as they occur.

I. In addition to monetary compensation (in the form of "X"s), there can be numerous other benefits for the staff members, tangible and intangible, many of which cost little or nothing. Group Mugbook pictures, staff get-togethers, T-shirts, and other forms of recognition can create a spirit of goodwill far exceeding their cost. Coordinators are urged to add to their staff's benefit through these non-monetary means.

J. Exceptions to items B and C are discouraged, but may be made through the use of annually budgeted supplemental staff credits by the Director. The Director shall report in writing such exceptions to the Board as they occur.

K. There shall be a bi-annual review of this policy by the Board.

 - D. Any persons not involved in the conduct of the meeting may join the group for meals, with the understanding that they will pay separately for their meals.

4. For staff persons who incur out-of-pocket expenses on behalf of SUUSI, requests for reimbursement must be made on an approved Expense Report form within 90 days of the date of the expense. Expenses incurred after October 1 of any calendar year must

SUUSI expects its Board, staff, and participants to conduct themselves in a respectful manner with concern and care for their colleagues, SUUSI staff, host staff, participants, and surrounding community.
2. To help ensure a safe environment at SUUSI, the Core Staff will include this policy in their pre-SUUSI orientations and training, and provide opportunity for discussion on the contents.
3. Any harassment regarding sex, race, color, ethnicity, religion, national origin, age, disability, ancestry, place of origin, marital status, source of income, class, family status, gender, gender identity or expression, or affectional orientation will not be tolerated. Such harassment includes, but is not limited to, harassing remarks, gestures or physical contact, derogatory remarks, jokes, innuendo or taunts, and display or circulation of written materials or derogatory pictures directed at any of these categories. Harassment covers a wide range of behaviors of an offensive nature. It is commonly understood as behavior that demeans, humiliates, embarrasses, disturbs, upsets, and/or threatens a person.
4. Sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:
 - A. Submission to such conduct or communication is made a term or condition either explicitly or implicitly to obtain a position on the staff or Board or to participate in SUUSI; or
 - B. Submission to or rejection of such conduct or communication by an individual is used as a factor in decisions affecting such individual's position on the staff or Board or participation in SUUSI; or
 - C. Such conduct or communication has the purpose or effect of substantially interfering with an individual's position on the staff or Board or participation in SUUSI or creating an intimidating, hostile, or offensive environment; or
 - D. Such conduct or communication, which is not welcome, is personally offensive or debilitates morale, and therefore interferes with a positive SUUSI experience.

The person accused of violating the policy shall be advised of the nature of the allegations and allowed to respond and present any relevant information to the Board.
 - B. The Board shall determine what action is appropriate after considering all of the information, up to and including reporting the incident to the appropriate authorities. The Board is empowered to take any action necessary to ensure the integrity of SUUSI and this policy, and to protect SUUSI from any future violations of this policy. This includes, but is not limited to, removing the person who violated the policy from SUUSI and prohibiting future participation in SUUSI.

Section 14: SUUSI STAFF/BOARD EXPECTATIONS

Section 14.1: EXPECTATIONS AND CODE OF BEHAVIOR

1. SUUSI Staff and Board members should understand that they are leaders and role models for the entire SUUSI community. As such, they are expected to ensure the legal and ethical integrity of SUUSI, including:

A. Understanding, adhering to, and enforcing the Bylaws and Policies of SUUSI.

B. Upholding the governing laws and statutes of the state in which SUUSI is held.

C. Abiding by any and all rules and regulations of the institution where SUUSI is held.

2. SUUSI participants who are in leadership roles are in a position of stewardship and play a key role in fostering the spiritual development of both individuals and the community. It is therefore especially important that those in leadership positions be well qualified to provide the special nurture, care, and support that will enable youth (participants under the age of 18) and adults to develop a positive sense of self and a spirit of independence and responsibility. The relationship between SUUSI participants and their leaders must be one of mutual respect if the positive potential of that relationship is to be realized. Respect on the leader's part must include recognition of the absolute right of youth and adults to the privacy of their own bodies and minds.

3. SUUSI Staff and Board will not engage in behavior which constitutes any sort of verbal, emotional, or physical abuse. This includes behavior or language that is personally threatening or demeaning.

4. SUUSI Staff and Board will not engage in sexually harassing behavior.

5. SUUSI Staff and Board will not engage in sexual, seductive, or erotic behavior with minors.

6. For staff members working with youth and teens, there must at all times be at least two adults present while in the presence of a minor (age 0-17).

7. Members of SUUSI Staff who are over the age of 18 are considered to be mandated reporters of child abuse and/or neglect.

8. SUUSI Staff and Board will not allow the use of illegal drugs or any sort of illegal activities.

9. SUUSI Staff and Board will not allow the use of alcohol by anyone under the age of 21.

10. Staff members and trustees are expected to address inappropriate behavior or report it to the Director, Board President, or Minister on Duty.

11. In cases of SUUSI Staff or Board failing to meet the above expectations, appropriate legal or other action will be taken by SUUSI.

Section 14.2: BACKGROUND CHECK POLICY

1. SUUSI is committed to working to ensure the safety of its community members. It is our practice, therefore, to have a transparent staff and volunteer background check policy that includes both a multi-state background check as well as background checks on the National Sex Offender Registry (NSOR).
2. We understand that there are many reasons an individual may have a criminal record, including participation in social action or witness, injustices present in the system, and offenses which are not relevant because they occurred so long ago or pose little to no threat to others. Each adult who wishes to work or volunteer with SUUSI and be involved in our community has inherent worth and dignity. Thus, each instance where a record is returned or disclosed will be carefully considered. A documented conviction is not a guaranteed exclusion from our community, but rather the beginning of a conversation. We acknowledge the fact that there is pervasive racism, homophobia, and transphobia in the United States' criminal justice system. People of color are disproportionately convicted of felonies, and holding an LGBTQ+ identity has itself been historically considered an offense in many states.
3. Each member of the SUUSI staff and adult member of the SUUSI Board of Trustees, adults participating in the Child Care Cooperative, and all volunteers who supervise minors (ages 0-17) shall be subject to a background check on the NSOR.
4. Each member of the SUUSI Core Staff and adult member of the SUUSI Board of Trustees, all staff and volunteers who supervise minors (ages 0-17), including but not limited to TWOB staff, and all adults participating in the Childcare Cooperative shall be subject to a multi-state criminal background check.
5. The Risk Manager will coordinate the facilitation of all background and NSOR checks, which will be performed at a frequency in accordance with the policy of the host facility, or more frequently.
6. If a person self-discloses or their name returns a positive result on the background check or the NSOR, it shall be immediately reported to the SUUSI Director and Risk Manager. The individual may supply additional information related to the incident. Once all information has been gathered, the Director, Risk Manager, and Nurture Coordinator shall meet to determine next steps.
7. If it is determined that the Board should take action, the Board shall hear the report of the Director, Risk Manager, and Nurture Coordinator at their next scheduled meeting.
 - A. If requested and appropriate, the Board shall work with the Nurture Coordinator to appoint a minister to act as a liaison/support person for the individual.
 - B. The Board shall determine what action is appropriate after considering all of the information, up to and including reporting the incident to the appropriate

authorities. The Board is empowered to take any action necessary to ensure the integrity of SUUSI and this policy, and to protect SUUSI from any future violations of this policy. This includes, but is not limited to, removing the person who violated the policy from SUUSI and prohibiting future participation in SUUSI.

8. Any criminal or child welfare history disclosed to SUUSI in the application process will remain strictly confidential, with the exception of when SUUSI is required to disclose information to the host facility based on contractual obligations.

Section 14.3: REQUIRED DISCLOSURES

1. In their applications for positions, each prospective staff member and/or volunteer shall be required to disclose the following information:

A. Any and all charges or convictions, whether for a misdemeanor or felony.

B. Any founded accusation of child abuse.

2. In order to protect against the misuse of monies belonging to SUUSI, or of credit or debit cards issued to SUUSI, each prospective staff member and/or volunteer seeking a position whereby they will have access to such monies and/or credit and debit cards shall be required to disclose the following information, in addition to the disclosures in Section 14.3.1:

A. Any and all administrative actions filed against them, whatever the outcome, wherein any allegation of fraud, embezzlement, or the misuse of the money or property of others was charged.

Section 14.4: CONFLICT OF INTEREST

1. The purpose of this policy is to protect the interests of SUUSI by: (a) preventing the personal interest of the Board, key staff, and independent contractors from interfering with their duties to the organization and (b) avoiding any unethical financial, professional, or political gain on the part of such individuals. The intent of this policy is to supplement, not replace, any applicable federal, state, or local laws regarding conflicts of interest.

2. 'Persons concerned' means members of the Board, Officers, and all staff who can influence the governance and actions of SUUSI. This includes anyone who makes financial decisions, might be referred to as "management personnel," or have proprietary information regarding SUUSI.

3. It is impossible to list all the possible circumstances that could present conflicts of interest. Potential conflicts of interest include situations in which a member of the Board, Officer, and/or key staff or that person's relative or business:

- has an ownership or investment interest in any third party that SUUSI deals with or is considering dealing with;
- serves on the board of, participates in the management of, or is otherwise employed by or volunteers with any third party that SUUSI deals with or is considering dealing with;
- receives or may receive compensation or other benefits in connection with a transaction into which the SUUSI enters;
- receives or may receive personal gifts or loans from third parties dealing with SUUSI;
- serves on the board of directors of another nonprofit organization that is competing with SUUSI for a grant or contract;
- has a close personal or business relationship with a participant in a transaction being considered by SUUSI;
- would like to pursue a transaction being considered by SUUSI for their personal benefit.

4. Procedures

A. Each member of the Board, key staff, and any other interested person is under an obligation to disclose the existence or potential existence of a Conflict of Interest as it arises.

B. When a potential Conflict of Interest is disclosed, the Board will then provide the individual with an opportunity to disclose all material facts. The Board will collect all pertinent information and question the involved parties. If it turns out that a conflict does not exist, the inquiry will be documented but no further action will be taken.

C. If the Board determines that a conflict of interest exists, they will take the appropriate actions to address the conflict. This may include (but not be limited to): (a) prohibiting any Interested Parties from voting on any matter related to said Conflict of Interest or (b) terminating the individual's position with SUUSI.

Affected parties both within and outside of SUUSI, members of the Board, key staff, and independent contractors, will be notified. If the Conflict of Interest in question involves a member of the Board, that individual will be excused from deliberations.

D. All conflicts of interest will be reviewed on a case-by-case basis. The Board has full discretion to deem what disciplinary action is appropriate and necessary for disclosed conflicts of interest.

If the Board reasonably believes a member of the Board or staff member failed to disclose an existing or possible Conflict of Interest, it shall inform the individual of the rationale for such belief and grant the individual an opportunity to explain the alleged failure to disclose the Conflict of Interest.

After hearing the individual's response and investigating further as warranted by the circumstances, the governing officers may take appropriate disciplinary action, including removal from the position at the organization.

E. The minutes of any board meeting at which a matter involving a conflict of interest or potential conflict of interest was discussed or voted upon shall include:

- i. the name of the interested party and the nature of the interest;
- ii. the decision as to whether the interest presented a conflict of interest.
- iii. any alternatives to a proposed contract or transaction considered by the board; and
- iv. if the transaction was approved, the basis for the approval.

F. Every member of the Board and any other key person must sign a Conflict of Interest Disclosure Statement upon said individual's term of office, employment, or other relationship with SUUSI and must do so annually. Failure to sign does not nullify the policy.

Section 15: SUUSI CHILD CARE COOPERATIVE CODE OF BEHAVIOR

If the parents and/or guardians of the SUUSI community decide to create and/or support a child care cooperative that will operate at SUUSI or during SUUSI, it is the policy of SUUSI that the child care cooperative must produce, follow, and enforce policies which include, at a minimum, the Code of Behavior below. Any additions to the policy stated below may be produced and enforced by the child care cooperative with the understanding that the Board retains the right to revise any policies as it deems necessary.

1. Adults who are in childcare roles are in a position of stewardship and play a key role in fostering the spiritual development of both individuals and the community. It is, therefore, especially important that those in child care roles be well qualified to provide the special nurture, care, and support that will enable children in their care to develop a positive sense of self and a spirit of independence and responsibility. The relationship between children and their caregivers must be one of mutual respect if the positive potential of their relationship is to be realized. Respect on the caregiver's part must include recognition of the absolute rights of children to the privacy of their own bodies and minds.

2. Statement of Expectations:

A. Members of the Child Care Cooperative will not engage in behavior with children which constitutes any sort of verbal, emotional, or physical abuse. This includes behavior or language which is personally threatening or demeaning.

B. Members of the Child Care Cooperative will neither indulge in sexually harassing behavior nor engage in sexual, seductive, or erotic behavior with children.

C. Members of the Child Care Cooperative will not allow the use of drugs or alcohol or any sort of illegal activities among children.

D. Participants of the Child Care Cooperative shall not use alcohol or other intoxicating substances during the 6 hour period prior to their volunteer shift, nor at any time during their volunteer shift in the Child Care Cooperative. Intoxicating substance is any substance which, when used in sufficient quantities, ordinarily or commonly disturbs a person's mental or physical capacities, including but not limited to alcoholic beverages, drugs, controlled substances as defined by state law, certain prescription medications when not used in accordance with physician's orders, glue, paint or other substances.

E. Members of the Childcare Cooperative who are over the age of 18 are considered to be mandated reporters of child abuse and/or neglect.

3. Statement of SUUSI Action:

A. In cases of members of the Child Care Cooperative failing to meet the above expectations, appropriate legal or other actions will be taken by SUUSI.

Section 16: REMOVAL OF INDIVIDUALS DURING THE SUUSI PROGRAMMING WEEK

1. The following behaviors could necessitate removal of individuals from SUUSI:
 - A. Breaking of any applicable local, state, or federal laws
 - B. Breaking any rules or regulations of any facility or institution while attending SUUSI
 - C. Possession, display, or use of firearms or other weapons
 - D. Intentional destruction or damage to property owned or rented by SUUSI, the host facility, facilities visited by the participant during SUUSI, or another individual
 - E. Violating SUUSI's Anti-Harassment Policy (Section 10.1 of this Policy Manual)
 - F. Any behavior or activity which severely disrupts program operations and/or interferes with the rights of other participants to receive program services
 - G. Unsafe behavior: behavior which endangers or threatens to endanger the well being of oneself or others
2. In the case that a staff member witnesses or is informed of one of the above behaviors by a SUUSI participant, they will:
 - A. Get another SUUSI staff member to accompany them to ask the violating individual to cease the offending behavior
 - B. Contact and inform the Core Staff member in charge of the relevant department (if any) and/or the SUUSI Director
3. The Core Staff member or SUUSI Director shall decide the consequences which may include:
 - A. Removal from the area where the violation is occurring/has occurred
 - B. Dismissal from SUUSI (for severe offenses or subsequent violations)
4. The Minister on Duty may be contacted and asked to participate in the counseling and informing the individual of their needing to leave SUUSI.
5. Once someone has been dismissed they are required to remove themselves from the site of SUUSI at the earliest opportunity.
6. For severe violations, individuals may not be allowed to return to subsequent SUUSIs for a given number of years or ever.
7. Participants who are dismissed will not receive a refund of any fees paid to SUUSI.

Section 17: SUUSI HEALTH POLICY

1. SUUSI participants and staff should understand that SUUSI is not a health care provider and does not offer health care services, nor does it have a health office or any health care employees. SUUSI participants are encouraged to familiarize themselves with the local health care resources, providers, and services in the area before attending SUUSI.
2. SUUSI participants should be aware that SUUSI does not provide health and accident insurance to SUUSI participants. SUUSI participants and staff should bring proof of their health and accident insurance for their own use and file any medical expenses incurred with their own health and accident insurance.
3. SUUSI participants should remember to bring their own prescription medications for the week as well as any "over the counter" remedies they may need. SUUSI staff members are not permitted to dispense medication of any kind (prescription or "over the counter"). In the event of an emergency, SUUSI participants and/or staff should dial 911 and the 911 operators will determine the most appropriate response. SUUSI participants and staff should understand that they do not need to contact a SUUSI staff member before dialing 911.
4. SUUSI participants should take care to be safe and know their own physical limits.
5. SUUSI participants should evaluate their current capabilities before participating in a Nature activity or other SUUSI sponsored activity. Nature activities are group experiences as well as personal explorations. SUUSI participants should be able to stretch themselves without intruding on the experience of others. Anyone under a physician's care should consult with their physician before pre- registering for an activity and before attending SUUSI.
6. SUUSI participants shall exercise care in being aware of any Nature activity or other SUUSI sponsored activity that has a difficulty legend and use that difficulty legend in deciding whether they can safely participate within their own physical limits.

Section 18: SUUSI LOGO AND NAME USAGE

1. The Institute's name and/or logo may not be used without prior specific written permission of the SUUSI Board.
2. Members of the SUUSI community may request to use the name and/or logo of SUUSI in the manufacturing and sale of items; SUUSI supports hand-crafting and cottage industries.
 - A. Each individual must apply to the SUUSI Board for approval, and it is not necessary for individuals to re-apply each year. However, the Board retains the right to refuse or revoke permission at any time if the items bearing the name/logo are deemed inappropriate for association with SUUSI (see Addendum).
 - B. The Board or its designee will process requests on a rolling basis within one week of the request being received, and if there is an issue or more discussion needed, will bring it to the attention of the Board.
 - C. Whether said items are sold at SUUSI or outside of SUUSI, a minimum of 10% of the proceeds from the sale of these items must be donated to SUUSI via an official SUUSI store such as the Books and Bazaar.
