DUNGEONS & DRAGONS

Dungeons & Dragons comes to SUUSI!

Dungeons & Dragons (D&D) is a fantasy tabletop role-playing game. In D&D, a Dungeon Master guides a group of players through a fantasy, imagining themselves as characters embarking on fantastic, heroic adventures.

(Think of it as an improv game of make-believe with adults-- and dice.)

Players work together to solve mysteries, fight evil, and become legendary heroes.

D&D is a fabulous way to express creativity, work cooperatively, and develop problem-solving skills-- all while making new friends and having a great time.

We are creating a persistent campaign world for SUUSI. The world of WUURTH will reflect SUUSI values and principles, and even our SUUSI culture.

Characters created and played in WUURTH can advance and continue playing from year to year.

If you are new to D&D, sign up to learn how to play.

Build an official WUURTH character in Pair-A-Dice.

Sign up to play this year's WUURTHy Adventures.

“Dungeons and Dragons for Beginners”

What's Dungeons & Dragons? How do you play? This short workshop will introduce you to the basics of the game and allow you to try it out. No experience necessary. All are welcome.

Age: 5+ \$2.00
